**DECLARATION OF CAROLINE A. BADER**

District of Texas.

2. I have not been suspended or disbarred from practice before any court or administrative body.

3. I have never had an application for admission to practice before any court or administrative body denied.

4. No sanction or contempt citation has been imposed against me by any court or administrative body.

5. I have read and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials set forth in part 42 of 37 C.F.R.

6. I will be subject to the USPTO Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101, *et seq.*, and disciplinary jurisdiction under 37 C.F.R. § 11.19(a).

7. I have not applied to appear *pro hac vice* before the USPTO in the last three (3) years.

involved in numerous patent litigations before the federal courts. I have represented clients in many patent litigations regarding technology similar to the technology at issue in this IPR, relating to volatile memory devices. For example, I represented Garmin in *Norman IP Holdings, LLC v. Lexmark International, Inc. et al.*, Case No. 6:11-cv-00495-LED (E.D. Texas), which included technology relating to a multi-port RAM device.

10. As part of my representation of ASUS Computer International, Inc. in this and other matters, I have discussed the relevant technologies in depth with expert witnesses and engineers.

11. I also participated in the drafting and revision of the Petition filed in this proceeding.

12. I declare that all statements made herein of my knowledge are true, and that all statements made on information and belief are believed to be true, and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.
