Dear PTAB,

I am counsel for petitioners in IPR2018-00090. I have copied lead and back up counsel for petitioners and for the presently-named patent owner, Blitzsafe.

This Petition, and the references and grounds included in it, are substantively identical to those included in the Toyota Petition (IPR2016-00418) (the "Toyota IPR"), with which the following IPRs were joined: IPR2016-01533, IPR2016-01557, and IPR2016-01560. The sole exception is that Petitioners here adopted the claim constructions applied by the Board in the Toyota IPR and related IPRs. The Toyota IPR proceeded through final hearing and was ready for determination and preparation of the final written decision when it was terminated due to settlements reached.

Petitioners request authorization to file a motion to expedite this IPR2018-00090 to final written determination based upon the complete, closed record from the Toyota IPR.

The petitioners are available for a conference call, if necessary, any time during the week of October 23-27 or at the your convenience.

Best personal regards,

Matt Satchwell
