ERRATA

Before Thomas Green, Trial Paralegal

The Notice of Filing Date Accorded, mailed on November 27, 2017 (Paper 2), unintentionally misrepresented the Petition filing date as October 26 2017. The Petitioner submitted a Corrected Petition (Paper 3) on October 31, 2017. Due to the Petitioners re-submission of a Corrected Petition (Paper 3), the new Petition origination date is now October 31, 2017. This notice corrects the Notice of Filing Date Accorded changing the Petitioners filing date from October 26, 2017 to October 31, 2017.

**NOTICE CONCERNING ALTERNATIVE DISPUTE RESOLUTION
 (ADR)**

The Patent Trial and Appeal Board (PTAB) strongly encourages parties who are considering settlement to consider alternative dispute resolution as a means of settling the issues that may be raised in an AIA trial proceeding. Many AIA trials are settled prior to a Final Written Decision. Those considering settlement may wish to consider alternative dispute resolution techniques early in a proceeding to produce a quicker, mutually agreeable resolution of a dispute or to at least narrow the scope of matters in dispute. Alternative dispute resolution has the potential to save parties time and money.

Many non-profit organizations, both inside and outside the intellectual property field, offer alternative dispute resolution services. Listed below are the names and addresses of several such organizations. The listings are provided for the convenience of parties involved in cases before the PTAB; the PTAB does not sponsor or endorse any particular organization's alternative dispute resolution services. In addition, consideration may be given to utilizing independent alternative dispute resolution firms. Such firms may be located through a standard keyword Internet search.

If parties to an AIA trial proceeding consider using alternative dispute resolution, the PTAB would like to know whether the parties ultimately decided to engage in alternative dispute resolution and the reasons why or why not. If the parties actually engage in alternative dispute resolution, the PTAB would be interested to learn what mechanism (e.g., arbitration, mediation,

etc.) was used and the general result. Such a statement from the parties is not required but would be helpful to the PTAB in assessing the value of alternative dispute resolution to parties involved in AIA trial proceedings.
