1048	Rfc-index, Ohio State University, available at http://www.cis.ohio-state.edu:80/htbin/rfc/rfc-index.html (Archive.org capture: Dec. 1996)

I. Introduction

1. I, David H. Crocker, make this declaration. I am over 21 and otherwise competent to make this declaration.

2. All statements herein made of my own knowledge are true, and all statements herein made based on information and belief are believed to be true. Unless a specific time period is noted, all statements herein refer to the time period relevant to the above-captioned proceeding.

3. I am a principal at Brandenburg InternetWorking (“Brandenburg”), which I founded in 1991, and I have participated in the development of technical specifications for the Internet and its predecessor, the Advanced Research Projects Agency Network (“ARPANET”), since 1972. I understand that my CV has been filed as Exhibit 1027.

4. I have been retained by counsel for Petitioner as an expert witness in the above-captioned proceeding. My opinions in this declaration are informed by my substantial background and expertise in the RFC development and publication process, as well as the specific RFC documents I discuss below and the other evidence I cite in this declaration. Although I am being compensated for my time in preparing this declaration, the opinions herein are my own.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
