3 WHEREUPON,

4 MAJELLA E. LANE

5 was called as a witness by Counsel for the
6 Petitioner and, having been first duly sworn,
7 assumed the witness stand, was examined and
8 testified as follows:

9 DIRECT EXAMINATION

10 BY MR. SEGREST:

11 Q Good morning, Dr. Lane. I'm Philip
12 Segrest. I'm representing FlatWing this morning.
13 We had a scheduling error that's delayed our
14 start a little bit, and I apologize for that.
15 That was my fault. But we're getting started,
16 and we're counting the delay against my time that
17 I would've had with you. So we'll try to get
18 done as quickly as we can.

19 MR. MAURER: Before you go on, let me
20 just -- if I could enter my appearance on the --

21 MR. SEGREST: Sure.

22 MR. MAURER: -- record too. Aaron

1 Maurer for Patent Owner. Here with me is Tony
2 Sheh. Thank you.

3 BY MR. SEGREST:

4 Q Dr. Lane, have you been deposed
5 before?

6 A Yes.

7 Q And how often?

8 A I think it would be seven times at
9 this stage.

10 Q And do you remember what the matters
11 were at which you were previously deposed?

12 A Yes. I'm thinking chronologically the
13 first case was a Lidoderm case, and it was
14 against Watson. There were two other depositions
15 in connection with that case, and they were for
16 Hisamitsu and I think the other company was Nova.

17 The next one I recall was a case for
18 Auxilium against Watson again. There was a
19 deposition for Galderma against Watson. There
20 was a deposition for the previous nail case
21 related to this case, and I think that's all that
22 I recall at this point.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
