ORDER

Granting Joint Motion to Expunge  
*37 C.F.R. § 42.5*

On September 26, 2018, Mylan Technologies, Inc. (“Petitioner”) and Noven Pharmaceuticals, Inc. (“Patent Owner”) filed a Joint Motion to Expunge Confidential Information. Paper 15. The parties request expungement of Exhibit 2024, which was filed under seal. *Id.* at 2.

On September 5, 2018, pursuant to 35 U.S.C. § 317(a), the parties filed a Joint Motion to Terminate this proceeding. Paper 11. In light of the parties’ settlement, we entered an order terminating the proceeding. Paper 14. We did not rely on any information in the aforementioned exhibit to dispose of any issues in this proceeding. Our review of this exhibit indicates that it contains nonpublic information.

Based on the record before us, the need to protect the confidential information in Exhibit 2024 outweighs the public interest in unsealing that exhibit. Accordingly, it is appropriate to expunge the exhibit from the record.

Accordingly, it is:

ORDERED that Exhibit 2024 be expunged from the record.
