Subject: RE: Alacritech IPR schedule
Date: Wednesday, August 22, 2018 5:53:28 PM

Sean,

The Board expects the parties to initiate a conference call within one month from the date of institution of trial, July 6 in this case, to discuss the scheduling order. It is now over six weeks later and two weeks before Alacritech's opposition is due. Alacritech is proposing a total revision of the schedule. The schedule below is unworkable. Alacritech has allowed itself an entire extra month and condensed the remainder of the schedule which is unfair and prejudicial to the Petitioner. What is the basis for Alacritech's request for additional time? We are available to meet and confer after 3 pm central on Thursday or between 11:00 am – 1:00 pm central and 2:00 pm - 4 pm central on Friday. Please let us know if one of those times will work.

Thanks,

Melissa
