Subject: IPR2018-00289, Apple v. Uniloc, Authorization to File Motion to Strike

To the Board:

In IPR2018-00289, Petitioner Apple respectfully requests permission to file an Unopposed Motion to Strike under 37 CFR 42.5(a) and 42.20(a). Specifically, the Petitioner seeks to strike the Easttom Declaration (Exhibit 2001) and all references or citations to the declaration in any filing, as the declarant is unavailable for cross-examination. No such references or citations to the declaration are made in the Patent Owner Response. Petitioner and Patent Owner have conferred, and Patent Owner indicates that they do not oppose the motion.

If needed, Petitioner and Patent Owner are available for a Board call any time on Monday or Wednesday between 10:00am and 12:30pm EDT or at another time convenient for the Board.

Thank you.
