INNOVATIONS

30 years of creating the most innovative heart rate monitors in the world. 30 years of in world firsts. Just take a look at the advancements Polar has been making in its field.

2013

Team solution for indoor team sports

Polar Team is an easy-to-use app for tablets. It's designed for indoor sports and helps give smarter guidance to athletes and learn about their performance.
Polar Loop

The Polar Loop activity tracker is brought into spotlight. Its patented motion analysis te
tracks all the moves you make during the day and shows how they're good for you. It a
reminds you when you've been still for too long and how much you're still missing from
activity goal.

Polar GoFit app

Polar GoFit is rolled out, introducing a completely new way to follow, store and analyze
heart rate information. It's an easy-to-use app for tablets.

Activarium

Activarium comes out. It's a fun and engaging game that encourages students to reac
daily activity target and helps teachers reinforce the benefits of being active.

RC3 GPS

RC3 GPS hits the shelves. It brings together all the essential features of heart rate mor
more: it shows altitude and tracks route, speed and distance with a built-in GPS.

Training benefit

Training benefit, a new Smart Coaching feature, is released. It gives immediate feedba[ck] each exercise as well as information about the benefits of the training session.

Polar Beat

The end of 2012 marks the launch of Polar Beat, the world's smartest training app. You and analyze your activity and better understand the impact of your workout at differen[t] levels.

RCX5

Polar RCX5 brings a completely new spin to multisport training with its ability to switch
sport to another swiftly, easily and without interrupting the training data recording - als
It's a superior companion to triathletes and endurance athletes.

Endurance program

Endurance program becomes available at the polarpersonaltrainer.com website, featu

DOCKET ALARM

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS
Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS
Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS
Sync your system to PACER to automate legal marketing.
