HUAWEI DEVICE CO., LTD.  
Petitioner,

v.

FUNDAMENTAL INNOVATION SYSTEMS INTERNATIONAL LLC  
Patent Owner.

Case No. IPR2018-00465  
Patent No. 8,624,550

**PETITIONER'S EXHIBIT 1026 LISTING PETITIONS FILED  
BY HUAWEI AND PETITIONS FILED BY SAMSUNG AND ZTE**

Petitioner files this exhibit pursuant to authorization provided by the Board during the teleconference held on June 6, 2018 to address Petitioner's contention that Patent Owner's preliminary response mischaracterizes the relevance of district court testimony by an expert witness for a third party (Samsung's *Markman* expert John Garney). *See* Paper 7 at 15 (describing Samsung's expert testimony as "highly relevant because Huawei has simply adapted various IPRs already filed by Samsung"). The Board authorized Petitioner to file as an exhibit a chart comparing the filing dates, expert witnesses, and grounds of petitions filed by Petitioner and petitions filed by Samsung and ZTE against the Fischer family of patents.

Date: June 12, 2018

Respectfully submitted,
