Subject: Affidavit Request

Hi,

I am writing a request an affidavit to authenticate several pages from the Wayback Machine. I just submitted payment for this request to you through PayPal (the payment came from **Redacted**).

Specifically, I would like to request a notarized affidavit authenticating the pages at the following three extended URLs:

https://web.archive.org/web/20040801000000*/http://www.diva-portal.org/
<https://web.archive.org/web/20040604075917/http://www.diva-portal.org/>
<https://web.archive.org/web/20050305032400/http://www.diva-portal.org/>

I understand that the cost for this is \$410, which is what I sent via PayPal:

	Unit Cost	Quantity	Cost
Cost per Request	\$250	x1	\$250
Cost per URL	\$20	x3	\$60
Notarization	\$100	x1	\$100
Total			\$410

If I calculated this incorrectly, please let me know and I will promptly provide any additional amount owed.

If you could please return the affidavit to me via FedEx, I would appreciate it (if you could send a copy via email, that would also be wonderful, but I understand if that is not possible). Our FedEx account number is **Redacted**. Please put "032437.0005" in the "Internal Billing Reference" field.

Please let me know if you have any questions about this request.

Thank you very much,
Tim
