

Corporate Overview

Sirius XM Holdings Inc. is the largest radio company measured by revenue and has more than 32.7 million subscribers.

SiriusXM is one of the world's largest audio entertainment companies and is among the largest subscription media companies in the United States, offering an array of exclusive content to satisfy many interests.

SiriusXM is the home of Howard Stern's two exclusive channels. Its commercial-free, curated music channels represent many decades and genres, from rock, to pop, country, hip hop, classical, Latin, electronic dance, jazz, heavy metal and more. These include exclusive artist-branded music channels from The Beatles, Bruce Springsteen, Elvis, Eminem, Frank Sinatra, Garth Brooks, Grateful Dead, Jimmy Buffett, Kenny Chesney, Ozzy Osbourne, Pitbull, Tom Petty and many more, and concept-based channels such as Road Trip Radio, Yacht Rock Radio and others.

SiriusXM's programming includes news from respected national outlets, and a broad range of in-depth talk, comedy and entertainment featuring personalities like Andy Cohen, Cardinal Timothy Dolan, Chris "Mad Dog" Russo, Craig Ferguson, Coach K, Hoda Kotb, Jeff Foxworthy and Larry the Cable Guy, Jenny McCarthy, Jim Parsons, Joe Madison, Joel Osteen, Kevin Hart, Dr. Laura, Michael Smerconish, Ricky Gervais, and high profile brands like Barstool Sports, Comedy Central, Entertainment Weekly, FOX News, TODAY Show Radio and more.

SiriusXM is the ultimate destination for sports fans, offering listeners live games and events from the NFL, Major League Baseball®, NASCAR®, NBA, NHL®, PGA TOUR®, Formula 1®, Verizon IndyCar® Series, soccer, and college sports, as well as news, analysis and opinions from more than a dozen dedicated sports talk channels.

SiriusXM comes installed in new vehicles from every major car company in the U.S. and is available in a fast-growing number of pre-owned vehicles. SiriusXM is also available in the home, office or on the go with the SiriusXM app and on connected devices including smart TVs, Amazon Alexa devices, Apple TV, Roku, Sonos sound systems and SonyPlaystation. By streaming SiriusXM, listeners also get access to thousands of hours of programming on [SiriusXM On Demand](#), making it easier to listen to what they want, when they want it.

SiriusXM is a provider of connected vehicle services that give customers access to a suite of safety, security and convenience services including automatic crash notification, stolen vehicle recovery assistance, enhanced roadside assistance and turn-by-turn navigation. SiriusXM provides premium traffic, weather, data and information services for subscribers through SiriusXM Traffic™, SiriusXM Travel Link, NavTraffic® and Nav Weather™. SiriusXM delivers weather, data and information services to aircraft and boats through SiriusXM Aviation™ and SiriusXM Marine™.

SiriusXM recently unveiled SiriusXM with 360L, its next generation of in-vehicle audio entertainment that puts customers at the center of their SiriusXM listening universe. For the first time in the car, customers can hear the full SiriusXM lineup of more than 200 channels, plus On Demand content and live sports, with head-to-head game feeds, all wrapped up in a way that is intuitive and easy to use. This personalized listening experience delivers targeted recommendations for drivers and their passengers based upon their listener profiles; and spotlights channels, shows, performances, interviews, and more. Content is delivered via both satellite and streaming. Available now in the all-new 2019 RAM 1500 truck with an All Access trial or subscription.

SiriusXM holds minority interests in SiriusXM Canada and the streaming music service Pandora.
