Hello Patrick: I represent Fraunhofer and was provided your name as the contact person to discuss Siriusxm's utilization of Fraunhofer's IP in connection with the terminated Worldspace license agreement. While I am out of the office until Tuesday, I can make myself available to discuss at your convenience. Would you mind providing me your direct contact information and perhaps a couple of times that would be convenient for you to have a conversation? Thanks very much. Best Regards, Alan Friedman Sent from my iPhone. I apologize for any typos or corrections that the autocorrect feature insists upon making even if they are nonsensical.
