

AECompanies

**INNOVATION
WITH
PURPOSE**

The AE Companies, formed in collaboration with the founders of Amneal Pharmaceuticals, Chirogen and Chinty Patel, and key leadership

from member organizations, is a dynamic alliance of progressive and independent companies leveraging resources and expertise to bring healthcare solutions to people worldwide.

Amneal Pharmaceuticals is one of the largest and fastest growing generic pharmaceutical manufacturers. Founded in the United States by Chirag and Chintu Patel, Amneal's diversified portfolio includes high quality complex dosage forms, such as liquids, topicals, transdermals, injectables, and inhalation products.
