Subject: RE: IPR2018-00747 and -00748 Conference Call
Date: Wednesday, August 15, 2018 6:05:53 PM

Trials:

We write following up on the conference call with the Board on August 10, 2018, during which the Board discussed the impact of *SAS Institute, Inc. v. Iancu*, 138 S.Ct. 134 (2018) on IPR petitions seeking joinder on fewer than all of the claims instituted in an underlying IPR petition. The Board expressed the view that a petitioner cannot join fewer than all instituted claims, and thus, inquired as to whether the Petitioner would prefer to join as to all instituted claims, or withdraw its IPR joinder petitions.

The Board asked that Facebook and WhatsApp provide an email with their position no later than Wednesday, August 15th.

In view of the Board's position regarding the *SAS* decision, Facebook and WhatsApp notify the Board that they elect to withdraw their petitions in IPR2018-00747 and IPR2018-00748.

Best,
Phil Morton
