revision 1.2

date: 2005-01-10 16:56:58 -0600; author: davidc; state: dead; lines: +0 -0;

Remove all packages except for the ones that we are currently supporting: bandon, wilson, and trio. This includes removing all RADkit-related packages and all demo packages that were build upon the RADkit.

revision 1.1

date: 2002-01-28 09:03:55 -0600; author: davidc; state: Exp;

A package encapsulating the client half of the fight-club synchronized video demo.
