Subject: Sonos, Inc. v. Implicit, LLC -- IPR2018-00766, -00767

Your Honors,

Responsive to last Friday's telephone conference regarding Patent Owner's request to reset the oral hearing date for the above-identified proceedings, Petitioner writes to inform the Board that it accepts the Board's offer to reset the hearing date to 9:00 AM EDT on June 18. For this date, Petitioner strongly prefers the Alexandria location over the Dallas location and requests that the hearing remain at the Alexandria location.

As a separate matter, pursuant to the scheduling orders entered in the above-identified proceedings, Petitioner hereby requests that the Board hold a pre-hearing conference for these proceedings to (i) resolve Petitioner's motions to exclude, and (ii) obtain the Board's guidance as to specific issues they would prefer addressed by the parties at the hearing.

Respectfully submitted,

Cole B. Richter
Counsel for Petitioner
