"Good afternoon. My name is Edward Balassanian, President and CEO of BeComm Corporation."

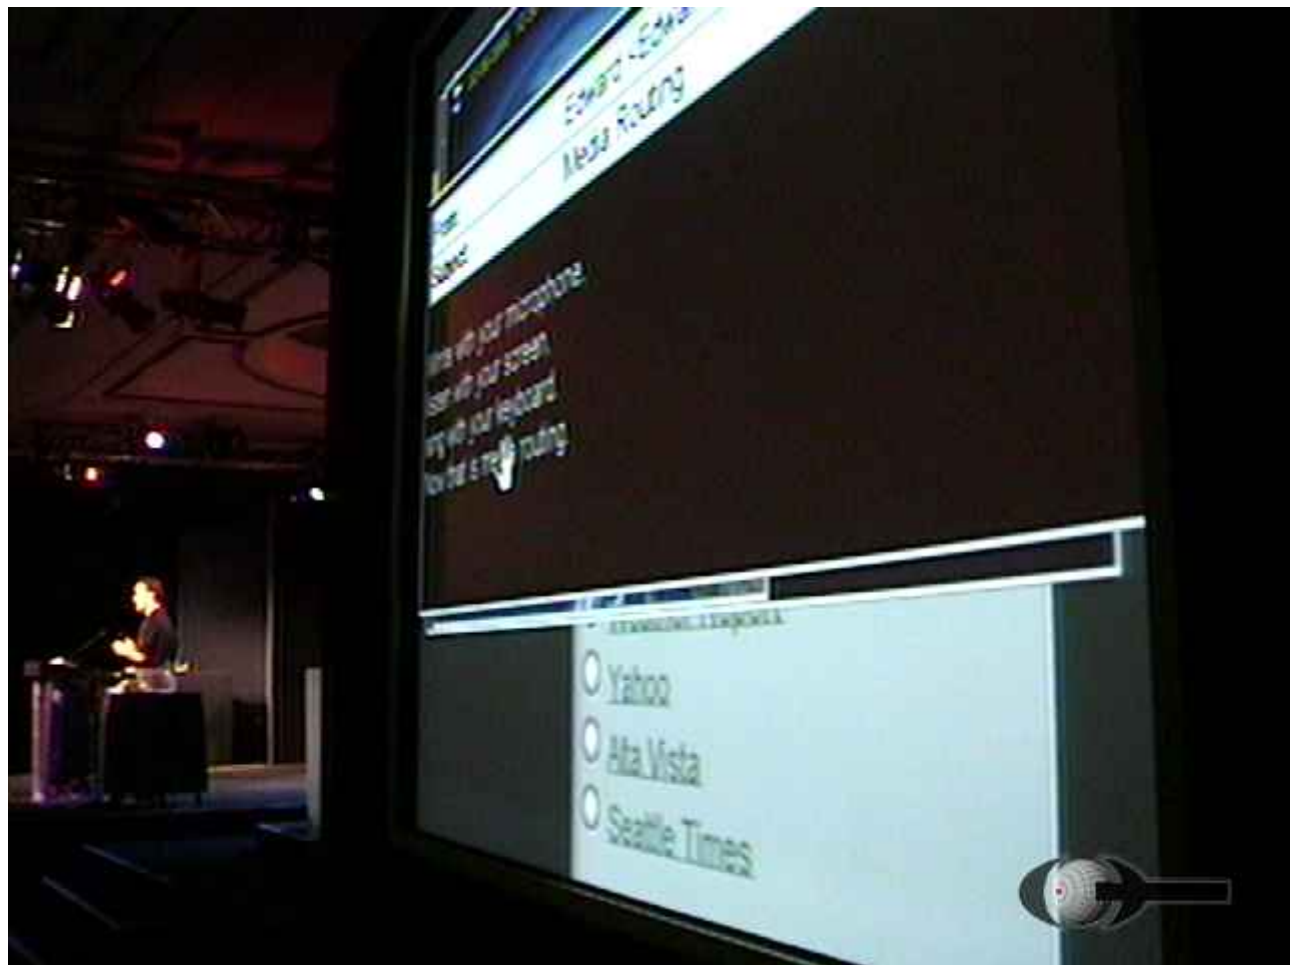

"For the past 4 years we have been quietly developing a next generation software technology called Strings."

"At its heart Strings is an altogether new way of looking at software and computing on the whole."

"What you are seeing on the screen above you is Scott browsing the web using Strings..."

"This is what we call Media Routing which transforms static applications such as email... into dynamic content that can be both seen and heard..."
