Case IPR2018-00809<sup>1</sup>  
U.S. Patent 9,530,137

---

**PATENT OWNER'S REQUEST FOR ORAL HEARING**

---

<sup>1</sup> Visa Inc. and Visa U.S.A. Inc., which filed a petition in IPR2019-00174, have been joined as a party to this proceeding.

Pursuant to 37 C.F.R. § 42.70(a) and the Scheduling Order (Paper No. 10), Patent Owner Universal Secure Registry LLC (“Patent Owner”) hereby respectfully requests that the Board grant oral argument, currently scheduled for July 16, 2019. *Id.* at 8.

## **I. TIME REQUESTED AND ISSUES TO BE ARGUED**

Given the overlap of issues between IPR2018-00809, IPR2018-00810, and IPR2018-00813 (“the Proceedings”), Patent Owner requests that the Board authorize the parties to present their arguments for the Proceedings in a single hearing, and that each side be allotted forty-five (45) minutes total for oral argument for all three consolidated Proceedings.<sup>2</sup>

The principal issues to be argued for IPR2018-00809 include:

1. Any issues properly raised by Petitioner, including in the Petition and Reply, such as whether any of the challenged claims of U.S. Patent No. 9,530,137 are patentable under 35 U.S.C. §§ 102, 103;

---

<sup>2</sup> Patent Owner communicated this proposal to Petitioner on June 5, 2019, and Petitioner responded two days later that it desired 60 minutes per side per proceeding instead. Believing a six-hour long hearing across the three Proceedings would pose an undue burden on the Board and the parties, on June 7, 2019 Patent Owner attempted to compromise by proposing that the parties each have 60 minutes per side for all three Proceedings. This proposal went unanswered by Petitioner.

2. Any issues raised by Patent Owner, including in Patent Owner's Response and Sur-reply;
3. Any issues concerning the patentability of the proposed substitute claims in Patent Owner's Conditional Motion to Amend;
4. Any procedural or evidentiary issues raised, *e.g.*, Motions to Strike and related briefing;
5. Any additional issues raised in any motion or paper filed before oral argument, or any other additional issues on which the Board seeks clarification.

Patent Owner respectfully reserves the right to supplement and/or amend the foregoing statement of issues to the extent permitted by the Rules and the Board.

## **II. LOGISTICS**

Subject to the Board's approval, Patent Owner intends to use demonstrative exhibits during the oral argument. Such demonstrative exhibits will be served in due course according to 37 C.F.R. § 42.70(b). Patent Owner also intends to request the use of audio-visual equipment during its presentation, including a computer, projector, and screen on which to display demonstrative exhibits.

DATED: June 10, 2019

Respectfully submitted,

QUINN EMANUEL URQUHART &  
SULLIVAN, LLP

By           /s/ James M. Glass

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
