Protection of Intellectual Property Rights for Economic Development Longhua

District People's Procuratorate Stationed at Yinxing Science and Technology Park

On November 30, the signing ceremony for the joint protection of intellectual property rights memorandum by the People's Procuratorate of Longhua District and the Silver Star Science Park and the opening ceremony of the Intellectual Property Prosecution Office of the Yinxing Science and Technology Park were held at the Silver Star Technology Building. Deputy District Chief Chen Jianmin, Attorney General of District Procuratorate Yang Shimin, Deputy Attorney General Wang Bin, and Xie Guoqing, Li Rongbin, Director of the Legal Policy Research Office of the City Procuratorate, Zheng Zhixiong, Director of Longhua Bureau of the Municipal Market and Quality Supervision Commission, and He Yongchuan, Deputy Director of the District Bureau of Science and Technology Leaders of the Bureau's Assistant Director Li Heji and representatives from the municipal/district people's congress and other relevant leaders attended the event. Silver Star Group's Chairman Ye Weixiong, President Ye Jiajia, Vice President Ye Lirong and other group leaders and over 50 science and technology companies' intellectual property leaders attended the event. This event. The event was chaired by Zhang Genguo, secretary of the board of directors of Yinxing Group.

Before the opening ceremony, Wu Xiaoping, the convener of the Public Prosecution Department of the District Public Prosecutor's Office, gave a lecture on "Longhua Procuratorate and Your Cooperation in IPR Protection" for science and technology enterprises in the park. Through the case, the importance of intellectual property protection was vividly preached, and the park further strengthened the protection of innovative enterprises. Knowledge of intellectual property rights, improve awareness of intellectual property protection. After the lecture, the prosecutor provided professional guidance and implementation suggestions on the relevant intellectual property problems encountered by some companies' intellectual property rights during the innovation and entrepreneurship process at the event site. The lectures

responded well and the enterprises in the park have expressed great benefits. Hope District Procuratorate has carried out intellectual property related professional lectures and work guidance for innovative enterprises in the park.

Ye Weixiong said that he will strongly support the protection of intellectual property rights in the park, provide related services for the enterprises in the park, assist the work of the intellectual property procuratorate, and work with the procuratorates and enterprises in the park to protect intellectual property rights and create and protect intellectual property rights for the park enterprises. Contribute to the promotion of economic development in Longhua District.

Yang Shimin said that he will do his best to improve the functions of the IP prosecution office, help the park enterprises enhance their awareness of intellectual property protection, and increase the protection of intellectual property rights. It is hoped that the enterprises in the park will strengthen communication and interaction with the procuratorate of intellectual

property rights, so that the protection of intellectual property rights can be carried out more smoothly and effectively. Yang Shimin also introduced the Smart Dragon Inspection APP platform to enterprises. Companies can consult relevant information through the online platform, make appeals, and handle related matters efficiently.

Chen Jianmin said that he hopes that the District Prosecutor's Office will give full play to the role of the intellectual property inquisitors' office, increase the legal services and legal assistance for many high-tech enterprises in the intellectual property field, and further promote the organic connection between judicial protection and business needs, and Measures are implemented. The district government will focus on promoting the complementarity and effective convergence of the administrative and judicial advantages, increasing the communication and coordination between the relevant departments and the IP prosecution office, innovating the intellectual property protection mechanism, and forming a coordinated, smooth and efficient protection work pattern to meet the needs of the people. Strengthen the need for intellectual property protection.

Chen Jianmin pointed out that next, Yinxing Science and Technology Park should strengthen the management of equipment, take the initiative, and combine government and enterprises, and set a good example for other parks in terms of recruiting business, finding good business, and recruiting excellent business, and make an example for the economic and technological development of Longhua District. contribution. At the same time, it is hoped that Yinxing Science and Technology Park will further strengthen its awareness of intellectual property protection, assist procuratorial organs in the protection of intellectual property rights, and effectively provide services for enterprises in the park.

The Deputy Prosecutor of the District Prosecution Office Wang Bin and the President of Yinxing Group Ye Jiajia signed the joint memorandum on the protection of intellectual property rights. Deputy Mayor Chen Jianmin, Procurator Yang Shimin, Director Li Rongbin, Deputy Chief Prosecutor Xie Guoqing, Director Zheng Jingxiong, Deputy Director He Yongchuan Assistant Director Li Heji, Chairman Ye Weixiong, and Vice President Ye Lirong witnessed the signing ceremony.

After the signing ceremony, Longhua District, Chen Jianmin, deputy head of the District Prosecutor Attorney Yang Shimin, director of the city's Procuratorate Lirong Bin, Silver Star Group Yewei Xiong, chairman jointly inaugurated the Silver Star Technology Park Intellectual Property Attorney Office.

It is reported that the responsibilities of the IP prosecution office are mainly reflected in the following two aspects: First, in legal services, the IP prosecutorial office and the park enterprises establish a joint conference system to exchange information on the protection of intellectual property rights; prosecutors regularly visit park enterprises, Distribute menus of service companies, solicit opinions and suggestions from companies, provide menu-based legal services, and build public service platforms such as intellectual property protection WeChat and the park, and provide professional consulting services for enterprises at the first time; Special legal system propaganda, crime prevention and other activities; Second, in terms of judicial relief, the IP prosecution office shall, in accordance with the clues provided by the company, supervise IPR administrative law enforcement, civil and administrative trials, etc.; at the same time, with the park, enterprises, public security agencies, etc. The establishment of a judicial rapid relief mechanism for intellectual property rights, the implementation of a special person to deal with the criminal cases of intellectual property rights infringement and listing

supervision system, smooth access to corporate criminal judicial protection of intellectual property rights.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
