Bromium Exhibit 2005

Kevin Jakel

Founder / CEO

Kevin Jakel is Founder and CEO of Unified Patents.

Prior to founding Unified Patents, Kevin served as Intuit's Head of IP Litigation. Kevin previously practiced as a patent litigator with Kaye Scholer LLP and Howrey LLP and advised clients on intellectual property strategy, litigation and patent prosecution. Kevin began his career in IP as a patent examiner at the U.S. Patent & Trademark Office. Kevin has a JD from George Washington University Law School and a BS in Mechanical Engineering from UCLA.

from Boston University (<https://www.bu.edu/>) and a BS in Mathematics from UCLA (<http://www.ucla.edu/>). He is a member of the California Bar (<http://members.calbar.ca.gov/fal/Member/Detail/194457>).

David Potts

Senior Vice President, Business Development

David brings almost 30 years of IP management consulting, software and business development experience. Prior to joining Unified, David served as VP of Client Development at RPX Corporation (NASDAQ:RPXC) where he played a major role in building out RPX's client base starting in 2008. Prior to RPX, David was owner and principal of Cascade 10, LLC, providing online strategic planning and business development services to the automotive, financial services, and real estate industry. David worked at The Cobalt Group (now CDK Global) overseeing business development to automotive OEMs and dealers including GM, Chrysler, Honda and Toyota. In 1992, David co-founded Ledge Multimedia, a software consulting business subsequently sold to Dataware Technologies in 1995. David also worked for ATKearney/JSA and General Electric. David has a BA in history from the University of Virginia and an MA from the Fletcher School of Law and Diplomacy at Tufts University.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
