aking a purchase using the First Virtual payment systems is easy, as long as you are able to read and follow instructions and read your e-mail regularly. The transaction examined in this chapter shows how to purchase a subscription to the InfoHaus news list — a good value for anyone interested in using the First Virtual InfoHaus — but the process will be similar for any other product, with only a minor difference when buying hard goods.

THE TRANSACTION PROCESS

As has been discussed elsewhere, the transaction process starts with the merchant offering a product for sale. Providing a VirtualPIN to the merchant is just about all the consumer
