	(E.D. Tex.), filed July 25, 2018.

SUPPLEMENTAL EXHIBITS SERVED (NOT FILED)

Exhibit No.	Description
1020	Supplemental Declaration of David H. Williams

I. INTRODUCTION

- I, David H. Williams, declare as follows:
- 1. I am the same David H. Williams who submitted a declaration in support of the Petitioner on May 15, 2018 in this *inter partes* review proceeding, IPR2018-01079. I am more than 21 years of age and I make this declaration based on my personal knowledge, experience, and belief. If called upon, I can testify competently to the facts stated in this declaration. My initial declaration was marked as Exhibit 1003.
- 2. Since I submitted my initial declaration (Ex. 1003), the Board has issued an Institution Decision, Dr. Carbonell has submitted a declaration (Ex. 2005), and Dr. Carbonell has been deposed (Ex. 1022). I submit this supplemental declaration to address issues raised by the Institution Decision, Dr. Carbonell's declaration, and his deposition.

II. CLAIM CONSTRUCTION

3. I understand that the Board instructed the parties to "provide their proposed construction for the term 'packet.'" (Inst. Dec., 30.) I also understand that Google's proposed construction for the term "packet" is *a unit of information*. I agree with this construction because it is consistent with this term's use in the claims and specification of the '970 patent. And although the Microsoft Computer Dictionary defines a packet as "a unit of information transmitted as a whole from

DOCKET

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time** alerts and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
