Case IPR2018-01133  
Patent No. 9,538,152

---

**PETITIONER'S REQUEST FOR ORAL ARGUMENT**

In accordance with 37 C.F.R. § 42.70(a), Petitioner hereby requests oral argument in the present *inter partes* review to be held on September 3, 2019 as set forth in the Scheduling Order. Paper 9 at 4, 9.

## **I. Issues to be Presented During Oral Argument**

Petitioner requests the opportunity to present oral argument on all issues raised in the papers pertaining to the instituted grounds, including:

- how the combination of *Border* and *Parulski* renders obvious claims 1-4 of the '152 Patent;
- Patent Owner's claim construction arguments (overt and covert) and its non-obviousness arguments;
- any responses to issues raised by the Patent Owner in sur-reply or relative to testimony of experts; and
- any responses to issues raised by the Board or Patent Owner at the argument.

## **II. Organization of the Oral Argument**

Petitioner requests that each side be allocated 45 minutes to present oral argument in IPR2018-01133. For purposes of scheduling relative to other proceedings, Petitioner notes that it also expects to argue IPR2018-01140 and IPR2018-01146 (each involving the same parties as the present proceeding); however, as there are no apparent common issues with the present proceeding

(IPR2018-01133), consolidation of all three proceedings is not indicated. Rather, since IPR2018-01140 and IPR2018-01146 involve related patents sharing the same specification and related issues, separate requests for consolidated argument are being filed in those proceedings.

Respectfully submitted,

Dated: August 5, 2019
