5 * * *

6 BRYAN D. KNODEL, PH.D.

7 having been satisfactorily identified and duly sworn
8 by the Notary Public was examined and testified as
9 follows:

10 DIRECT EXAMINATION

11 BY MR. DESAI:

12 Q. Could you state your name for the record.

13 A. Bryan Knodel.

14 Q. Dr. Knodel, would you mind -- you have a
15 binder sitting in front of you. Would you mind just
16 quickly reading off the exhibit numbers. I'm
17 guessing they all start with the 100. If you could
18 just read off the exhibit numbers that you have in
19 that binder for the record.

20 A. Right. The first one does not have an
21 exhibit number.

22 Q. Do you want to just read what it is then.

23 A. It is the '969 patent.

24 Q. Okay.

25 A. The second one is Exhibit 1004 in Knodel

1 declaration; the third is Exhibit 1007, Cooper; and
2 then is 1008, Wallace; 1009, Tierney; 1010,
3 Anderson; 1011, Timm; 1012, Knodel.

4 Q. Thank you.

5 Dr. Knodel, where are you currently
6 employed?

7 A. I am a consultant. Self-employed.

8 Q. Is there any reason sitting here today
9 you're unable to testify truthfully?

10 A. None.

11 Q. Okay. And you have been deposed before;
12 is that right?

13 A. Yes.

14 Q. Was it just the one time before that
15 you've been deposed?

16 A. Yes.

17 Q. All right. So I'll just refresh kind of
18 the nature of a deposition quickly. The most
19 important thing is if you don't understand a
20 question I'm asking, just let me know, and I'll do
21 my best to rephrase the question. Okay?

22 A. Okay.

23 Q. If you need to take a break, just let me
24 know. We can take a break any time you want. Just
25 if there's a question pending, just we'll -- just

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
