2 MORNING SESSION

3 10:44 a.m.

4 -----

5 * * *

6 BRYAN D. KNODEL, PH.D.,

7 having been satisfactorily identified and duly sworn
8 by the Notary Public was examined and testified as
9 follows:

10 DIRECT EXAMINATION

11 BY MR. DESAI:

12 Q. So, Dr. Knodel, we're starting now with
13 the -- it's the 1248 IPR, which is the one with, I
14 think, Prisco is the primary reference.

15 A. Okay.

16 Q. Okay. And you were being deposed this
17 morning earlier on the 1254 IPR; right?

18 A. These numbers I don't know by heart.

19 Q. The Giordano one?

20 A. The one with Giordano, yes.

21 Q. Okay. What did you do to prepare for your
22 deposition on the Prisco IPR?

23 A. I looked at it last night, and -- yes.

24 Q. What did you look at?

25 A. My deposition, reference to --

1 Q. Your declaration you mean?

2 A. Declaration. Sorry. Declaration, and
3 some of the cited references.

4 Q. Which references did you look at?

5 A. Prisco, Cooper, Wallace, and Tierney. I
6 think that's it. Yeah. Okay.

7 Q. So this declaration includes a discussion
8 of both Wallace and Cooper?

9 A. Yes.

10 Q. Okay. So why don't you take a look at
11 Figure 39 of Wallace -- sorry -- of Cooper.

12 I don't think you're at the right place.

13 A. Thirty-nine you said?

14 Q. Yeah.

15 A. Sorry. Okay. There we are.

16 Q. All right. And unlike Wallace, Cooper
17 discloses the mechanism for actuating the opening
18 and closing of a jaw through the articulation joint;
19 correct?

20 A. Figure 39 illustrates the actuation on the
21 other side of the articulation joint, yes.

22 Q. When I asked you this question earlier
23 today, you said you hadn't thought of it. Did you
24 think about it during the time between the two
25 depositions?

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
