The parties shall not file any demonstrative exhibits in this proceeding without prior authorization from the Board.

The Board reminds the parties that demonstrative exhibits are not evidence, but are intended to assist the parties in presenting their oral arguments to the Board. The Board also reminds the parties that demonstrative exhibits are not a mechanism for making arguments not previously addressed in the papers. The parties are directed to *St. Jude Medical, Cardiology Division, Inc. v. No argument or further explanation is permitted. The Board will consider any objections and schedule a conference call if deemed necessary. Otherwise, the Board will reserve ruling on the objections until the hearing. Any objection to demonstrative exhibits that is not timely presented will be considered waived. A hard copy of the demonstratives should be provided to the court reporter at the hearing.

The Board expects lead counsel for each party to be present in person at the oral hearing. However, any counsel of record may present the party's argument. If either party anticipates that its lead counsel will not be attending the oral argument, the parties should initiate a joint telephone conference with the Board no later than two business days prior to the oral hearing to discuss the matter.

Requests for audio-visual equipment are to be made no later than 5 days in advance of the hearing date. The request is to be sent directly to Trials@uspto.gov.
