1 **P R O C E E D I N G S**

2 **December 5, 2019**

3 THE COURT: C-1-CV-19-9250. Counsel, if
4 you would go ahead and make your appearances for the
5 record.

6 MR. SHORE: Michael Shore from Shore,
7 Chan, DePumpo on behalf of CyWee, petitioner.

8 MS. AMSTUTZ: Paige Amstutz and Sameer
9 Hashmi with Scott, Douglass, and McConnico on behalf of
10 the respondent, Google LLC.

11 THE COURT: All right. Thank you very
12 much.

13 All right.

14 MR. SHORE: A little housekeeping here
15 matter.

16 THE COURT: Yes, Mr. Shore. Of course.

17 MR. SHORE: We filed our response, and I
18 believe they filed an opposition yesterday. I don't
19 know if you've had those on the system, but if you
20 don't, I don't mind taking a 15- or 20- or 30-minute
21 break to give you a chance to read those before we get
22 started.

23 THE COURT: Hold on just a second. Let me
24 see.

25 Yeah. The special appearance and plea to

1 the jurisdiction was filed on the 2nd. Is there
2 anything else since the 2nd?

3 MS. ANSTUTZ: We filed our response to
4 that and then they filed their response to the 202
5 petition.

6 THE COURT: Okay. Let me do this -- let
7 me do this: Let me -- let's take a recess for
8 10 minutes. I'll come back at 9:40ish. Let me take
9 another look at that.

10 MR. SHORE: Take as long as you want.

11 THE COURT: That's all right. I'm sure
12 you guys are going to be very efficient on the time.

13 MR. SHORE: But all the pleadings are in
14 the notebook I gave you together with exhibits.

15 THE COURT: All right. Thank you very
16 much.

17 (Court in recess.)

18 (Open court, on the record.)

19 THE COURT: I've got the motion to take
20 202 deposition from CyWee, and then I've got a number of
21 responses including special appearance by Google, also
22 claims against jurisdiction, et cetera. So what I'd
23 like to do is to kind of get an overview from CyWee as
24 to why they seek a deposition. And then I want to go
25 through the entirety which, I think, that means I am

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
