P R O C E E D I N G S

December 5, 2019

THE COURT: C-1-CV-19-9250. Counsel, if you would go ahead and make your appearances for the record.

MR. SHORE: Michael Shore from Shore, Chan, DePumpo on behalf of CyWee, petitioner.

MS. AMSTUTZ: Paige Amstutz and Sameer Hashmi with Scott, Douglass, and McConnico on behalf of the respondent, Google LLC.

THE COURT: All right. Thank you very much.

All right.

MR. SHORE: A little housekeeping here matter.

THE COURT: Yes, Mr. Shore. Of course.

MR. SHORE: We filed our response, and I believe they filed an opposition yesterday. I don't know if you've had those on the system, but if you don't, I don't mind taking a 15- or 20- or 30-minute break to give you a chance to read those before we get started.

THE COURT: Hold on just a second. Let me see.

Yeah. The special appearance and plea to

1 the jurisdiction was filed on the 2nd. Is there

2 anything else since the 2nd?

3   MS. ANSTUTZ: We filed our response to

4 that and then they filed their response to the 202

5 petition.

6   THE COURT: Okay. Let me do this -- let

7 me do this: Let me -- let's take a recess for

8 10 minutes. I'll come back at 9:40ish. Let me take

9 another look at that.

10   MR. SHORE: Take as long as you want.

11   THE COURT: That's all right. I'm sure

12 you guys are going to be very efficient on the time.

13   MR. SHORE: But all the pleadings are in

14 the notebook I gave you together with exhibits.

15   THE COURT: All right. Thank you very

16 much.

17   (Court in recess.)

18   (Open court, on the record.)

19   THE COURT: I've got the motion to take

20 202 deposition from CyWee, and then I've got a number of

21 responses including special appearance by Google, also

22 claims against jurisdiction, et cetera. So what I'd

23 like to do is to kind of get an overview from CyWee as

24 to why they seek a deposition. And then I want to go

25 through the entirety which, I think, that means I am

DOCKET ALARM

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS
Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS
Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS
Sync your system to PACER to automate legal marketing.
