2 ROBERT W. HORST, PH.D.,

3 called as a witness, having been duly sworn,  
4 was examined and testified as follows:

5 ---o0o---

6  
7 EXAMINATION

8 BY MR. COCHRAN:

9 Q. Dr. Horst, welcome back from the break.

10 A. Thank you.

11 Q. You understand you're still under oath?

12 A. Yes.

13 Q. I assume there's no reason you can't  
14 testify truthfully?

15 A. That's right.

16 Q. In between the last deposition and the  
17 five minutes starting this one.

18 This deposition pertains to your  
19 Supplemental Declaration testimony in IPR2018-01315  
20 and IPR2018-01316, both relating to the '674 patent.

21 Is that your understanding?

22 A. Yes.

23 MR. COCHRAN: I'm going to hand the  
24 witness what has been previously marked as  
25 Exhibit 1018 in IPR2018-01315.

1                   HORST - IPR2018-01315; -01316  
2                   (Deposition Exhibit No. 1018 marked for  
3                   identification.)

4 BY MR. COCHRAN:

5           Q.     Do you recognize this document?

6           A.     Yes. This is my Supplemental Declaration  
7           in the '674 patent.

8           Q.     Turn to page 40. Can you confirm that's  
9           your signature on page 40?

10          A.     Yes, this is my signature.

11                   I've also submitted a Corrective  
12          Declaration for one of the figures in this document.

13          Q.     Okay. I don't have that with me, so we're  
14          going to use this one.

15                   MR. COCHRAN: I'm also handing the witness  
16          what's been also marked as Exhibit 1018 in  
17          IPR2018-01316.

18 BY MR. COCHRAN:

19          Q.     I'm going to ask you to identify if you  
20          recognize that document, Dr. Horst.

21          A.     Yes. I see this is the same declaration  
22          for the '674 patent but filed for the other IPR in  
23          this case.

24          Q.     The two exhibits are identical, correct?

25                   MS. REICHEL: Objection to form.

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
