3
4 BJORN MARKUS JAKOBSSON, PH.D.,
5 having first been duly sworn, testified as
6 follows:

7
8 EXAMINATION

9 BY MR. ARGENTI:

10 Q. Good morning.

11 A. Good morning.

12 Q. Could you please state your name for the
13 record.

14 A. Bjorn Markus Jakobsson.

15 Q. And you've been deposed a number of times
16 before today; is that right?

17 A. Yes, I have.

18 Q. About how many times would you say you have
19 been deposed?

20 A. I would be estimating, but about 30 maybe.

21 Q. And at least two of those have been in the
22 last year; right?

23 A. Yes. One was last week.

24 Q. So you are probably familiar with how things
25 work, but I'm going to quickly go through some of the

1 ground rules.

2 Do you understand that you're providing your
3 testimony under oath, and you're expected to tell the
4 truth?

5 A. Yes.

6 Q. Is there any reason you cannot provide
7 complete and accurate testimony today?

8 A. Not that I know of.

9 Q. Have you taken any medication that would
10 prevent you from giving accurate answers?

11 A. No.

12 Q. Hopefully my questions are clear, but if you
13 don't understand any question, please let me know that
14 it's unclear.

15 Under the guidelines for this proceeding, you
16 must ask me for any clarification. If you do not tell
17 me otherwise, I will assume that you understand the
18 question.

19 Okay?

20 A. Understood.

21 Q. Please provide verbal answers, rather than
22 nodding your head, for the benefit of the record and the
23 reporter.

24 Okay?

25 A. Will do.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
