IPR2018-01450 (Patent 9,299,468 B2)

On February 8, 2019, we issued Scheduling Orders in IPR2018-01448, IPR2018-01449, and IPR2018-01450. Paper 8.<sup>2</sup> Due Date 7, the date for oral argument, if requested, is identified as November 6, 2019, in each of these orders.

On September 3, 2019, Patent Owner requested to move the date for oral argument because of a conflict. Because of limited hearing room availability, we authorized Patent Owner to file a motion to move the oral argument date to explain further why it cannot attend on November 6, 2019.

Patent Owner filed a motion in each proceeding that explains Patent Owner's counsel "are required to attend an IP leadership summit for their firm" and "were made aware of the IP leadership summit on June 27, 2019." Paper 19, 1. The motions also provided dates when both parties would be available for oral arguments. *Id.* at 2.

We are not persuaded that Patent Owner has shown an unavoidable conflict with the original date for oral argument. Both parties, however, have jointly proposed moving up the date for oral argument, and the earlier proposed dates have better hearing room availability and would allow more time for drafting the final written decisions in these proceedings.
