5 was thereupon called as a witness herein, and after
6 having first been duly sworn to testify to the truth,
7 the whole truth and nothing but the truth, was
8 examined and testified as follows:

9

10 EXAMINATION

11 BY MR. SCHINDLER:

12 Q. Good morning, Doctor. My name is Barry Schindler, and
13 I represent Bracco Diagnostics in the case before the
14 U.S. Patent Office. I actually see before you a
15 Declaration that you had executed in this proceeding;
16 is that correct?

17 A. Yes.

18 Q. So I actually have a copy, also, of that Declaration,
19 but I gather if you want to use your own, would that
20 be more comfortable for you?

21 A. Yes. I actually have a couple of minor corrections of
22 typos and things.

23 Q. Excellent. So we'll get there. Before we get there,
24 as I understand that previously that you have had your
25 deposition taken at least twice now I believe?

1 **A. This will be my third deposition, yeah.**

2 Q. And you've also appeared at an ITC trial?

3 **A. Yep, that was my first time in court.**

4 Q. Okay. So I understand then that you understand sort
5 of the basic ground rules, and the ground rules are,
6 one, I will ask you a question. You will wait until I
7 finish my question. Is that okay?

8 **A. Yes.**

9 Q. And then you will answer, I will wait until you
10 answer, and I will not interrupt you. Do you
11 understand that?

12 **A. Yes.**

13 Q. Second, if you don't understand the question, you will
14 ask me if you don't understand. Otherwise, I will
15 assume you understood my question, correct?

16 **A. Okay.**

17 Q. And if you need to take a break at any time, just say
18 I need to take a break; do you understand that?

19 **A. Understood.**

20 MR. SCHINDLER: Actually, let's do some
21 what we'll call the administrative part first. I
22 understand you said you had some typos. So I'm going
23 to use as Jubilant Exhibit 1017, which is the
24 Declaration you executed, and on this I'm going to use
25 a red pen, and I would like you to mark up in red pen

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
