

Judicial economy favors staying all remaining deadlines. In particular, *Daubert* motions and dispositive motions are currently due October 29, 2018. Those motions will be subject to different briefing and formatting rules in the Northern District of Texas than in the Eastern District of Texas, and the new judge may wish to set a different schedule for these pretrial procedures. This may lead to duplicative work in the transferee venue. Staying those deadlines until they are set by the transferee court will limit the financial burden on both parties.

CONCLUSION

For all the foregoing reasons, the parties jointly request that the Court grant their motion to amend the Docket Control Order.
