I. BACKGROUND

On August 1, 2018, Petitioner filed its “Petition for *Inter Partes* Review of U.S. Patent No. 8,921,348 and Mandatory Notices Under 37 C.F.R. § 42.8”, which included the designation of lead and backup counsel as listed above. The Patent Owners implicitly acknowledged this designation of lead and backup counsel by serving its papers in this action on both of these attorneys on August 23, 2018.

However, concomitant with the August 1, 2018, filing, Petitioner also filed a Power of Attorney, designating only Kenneth M. Goldman as the

appointed lead counsel, and the PTAB website lists only Mr. Goldman as lead counsel in this matter. This sole designation was and is clearly in error. Accordingly, Petitioner now files this designation and power of attorney to clarify and/or correct the actual situation.

Although Petitioner believes that it need not do so under current Patent Trial and Appeal Board rules, Petitioner discloses that backup counsel and Administrative Patent Judge Paulraj worked together in private practice from 2011-2014, and have remained in contact since then.
