Counsel,

Due to issues with the Patent Trial and Appeal Board's E2E system being unavailable today, August 16, 2018, Par Pharmaceutical, Inc. hereby serves on Horizon Therapeutics, LLC a petition for *Inter Partes* Review of U.S. Patent No. 9,561,197.

Par has sent a copy of the petition, the accompanying exhibits, and Par's Power of Attorney by FedEx to the correspondence address of record for the '197 patent as well as to Horizon's counsel, Green Griffith & Borg-Breen LLP.

An email to the Patent Trial and Appeal Board ("PTAB") notifying them of Par's service of the petition and complying with the instructions provided on the PTAB's website at <https://www.uspto.gov/patents-application-process/patent-trial-and-appeal-board/ptab-e2e-frequently-asked-questions> will be sent under separate cover. By following these instructions, Par petition has been timely filed under 35 U.S.C. § 315(b).
