Cc: Samsung Iron Oak IPR
Subject: U.S. Patent No. 5,699,275: Service of IPR petitions

Counsel,

Because PTAB-E2E is down for maintenance, pursuant to the alternative filing method outlined in A2 of the PTAB-E2E Frequently Asked Questions website (<https://www.uspto.gov/patents-application-process/patent-trial-and-appeal-board/ptab-e2e-frequently-asked-questions>),

Samsung Electronics Co., Ltd. is hereby providing notice that it has served two petitions for *inter partes* review today, both challenging U.S. Patent No. 5,699,275, on the patent owner at the address of record for this patent provided in PAIR. As a courtesy, we are also providing you with copies of the IPR papers and supporting exhibits via this email, which can be downloaded using the below link.

In accordance with the above-referenced alternative filing method, we will notify the Board of this service by separate email.

Thank you,

Courtney
