---

Dear Ximena,

Heidi transferred your request to me.  
We did not stamp our copy. The catalogue entry was made on June 28 1989.  
The book was never checked out since.

As the book is a thesis written at the University of Eindhoven, The Netherlands, I think it would be better to ask there. They should have the information you need.

Kind regards,  
Karin Buehler  
KIT Library  
Department of Acquisition and Cataloguing
