Case IPR2018-01556  
Patent 7,206,587 B2

Before THU A. DANG, KEVIN F. TURNER, and  
BARBARA A. BENOIT, *Administrative Patent Judges*.

DANG, *Administrative Patent Judge*.

ORDER  
Conduct of the Proceeding  
*37 C.F.R. § 42.5(a)*

A conference call for the above-identified proceeding was held on December 18, 2018, between respective counsel for Petitioner and Patent Owner, and Judges Thu Dang, Barbara Benoit, Kevin Turner, and John Lee. The purpose of the call was to discuss Petitioner's request to file a motion to correct clerical errors for IPR2018-01556 and to file a motion to correct clerical errors and/or file a reply in IPR-01557.<sup>1</sup> In particular, Petitioner requests leave of the Board to file a motion to correct typographical errors in IPR2018-01556.

During the call, after hearing from counsel for both parties, the panel authorized Petitioner to file a motion to correct clerical errors, and authorized Patent Owner to file an opposition to Petitioner's motion. Counsel for both parties indicated that they did not anticipate any issues complying with the briefing schedule.

Accordingly, it is

ORDERED that Petitioner is authorized to file a motion, limited to correcting the clerical errors; the page limit for the motion is one (1) page; the motion must be filed no later than December 21, 2018; and

FURTHER ORDERED that Patent Owner is authorized to file an opposition to Petitioner's motion; the page limit for the opposition is one (1) page; the opposition must be filed no later than December 28, 2018.

---

<sup>1</sup> This Order addresses only issues relevant to IPR2018-01556.
