I. INTRODUCTION

On August 11, 2017, Patent Owner requested, via email, a call with the Board to discuss reconsideration of our Order (Paper 12)¹ denying a further extension of the deadline for Patent Owner to file its Preliminary Response in the above-listed proceedings. In view of Patent Owner's concerns, we have reconsidered our Order (Paper 12), and we hereby extend the deadline for Patent Owner to file its Preliminary Response in each of the above-listed proceedings until one month after the issuance of a decision on Patent Owner's Motion to Dismiss (Paper 8). With respect to Patent Owner's additional request that the Board should stay the above-listed proceedings if the Motion to Dismiss is denied, we observe that such request is not yet ripe for consideration. In the event that Patent Owner's Motion to Dismiss is denied, Patent Owner may seek authorization to file a motion to stay the above-listed proceedings at that time.

II. ORDER

In consideration of the foregoing, it is hereby:

ORDERED that that the deadline for Patent Owner to file its Preliminary Response in each of the above-listed proceedings is extended until one month after the issuance of a decision on Patent Owner's Motion to Dismiss (Paper 8).
