

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

NETFLIX, INC.

Petitioner,

v.

REALTIME ADAPTIVE STREAMING, LLC,

Patent Owner.

Case No. IPR2018-01630

U.S. Patent 9,769,477

PETITIONER'S REQUEST FOR ORAL HEARING
37 C.F.R. § 42.70

Pursuant to the Board's April 19, 2019 Scheduling Order (Paper 14), 37 C.F.R. § 42.70(a), and 35 U.S.C. § 316(a)(10), Petitioner respectfully requests oral argument on October 14, 2019.

Consolidation of Oral Argument with IPR2018-01187

This proceeding and IPR2018-01187 both challenge claims of the '477 patent and rely on substantially the same prior art. The claims at issue in this proceeding depend from independent claims 1 and 20 that are at issue in the 1187 IPR. In view of the overlap between the proceedings, Petitioner submits that a consolidated oral argument with each side granted 75 minutes of argument time is appropriate. The parties have met and conferred and Patent Owner does not object to consolidated oral argument or the proposed time allocation.

Request for Oral Argument

Petitioner requests (without any intent to waive consideration of any issue not requested) one hour for the Petitioner to address the following issues at the oral hearing:

- Ground 1: Claims 15-19, 28, and 29 are obvious in view of Imai (Ex. 1005) and Pauls (Ex. 1007);
- Ground 2: Claims 7 and 23 are obvious in view of Imai (Ex. 1005), Pauls (Ex. 1007), and Dawson (Ex. 1025); and

- Ground 3: Claims 8 and 24 are obvious in view of Imai (Ex. 1005) and Pauls (Ex. 1007); and Lai (Ex. 1016).

Petitioner requests the ability to reserve a portion of its total time for presenting rebuttal arguments after Patent Owner's presentation. Petitioner additionally requests that the Board provide audio-visual equipment to display demonstrative exhibits, including a projector to be connected to a laptop, and a document camera for displaying documents of record. In accordance with the Trial Practice Guide, Fed. Reg. Vol. 77, No. 157, at 48768, Petitioner will contact the Board Trial Division paralegal to discuss this request.

In the event that the Board sets a consolidated oral argument, Petitioner requests 75 minutes of total time to address the issues identified in this request for oral argument along with the issues identified in the request for oral argument that is being separately filed in IPR2018-01187.

This Request is timely, being filed on August 22, 2019.

Date: August 22, 2019

Respectfully submitted,

SHEPPARD, MULLIN, RICHTER &
HAMPTON LLP
