1 (Commencement of proceedings at 1:45 P.M.)

2

3 THE COURT: We're on the record in Sanofi versus
4 Mylan, 17-9105. It's 1:46 on August 2nd, 2018.

5 Starting with plaintiff, let's have appearances.

6 MS. WALSH: Good afternoon, Your Honor, appearing
7 on behalf of Sanofi, Liza Walsh, Christine Gannon, Katelyn
8 O'Reilly, and my cocounsel from Weil Gotshal, Elizabeth
9 Weiswasser, Robert Vlasis, Sutton Ansley. And also on the
10 line with us is Stephanie Donahue from Sanofi.

11 THE COURT: Oh, okay. Good.

12 Defendants.

13 MR. CALMANN: Hello, Your Honor. For Mylan, this
14 is Arnie Calmann. And with me is my colleague Katherine
15 Escanlar. And my cocounsel who will identify themselves.

16 MR. CARSTEN: Good afternoon, Your Honor, this is
17 Doug Carsten. Along with me on the line is Art Dykhuis and
18 Ellie Steiner.

19 THE COURT: Okay. So I have the July 30th letter
20 by Ms. Walsh, and then I just got Mr. Calmann's response.
21 Actually, I think it came in yesterday.

22 And Mylan's still working on it in terms of the
23 information?

24 MR. CARSTEN: Thank Your Honor. This is --

25 THE COURT: Go ahead.

1 MR. CARSTEN: I'm sorry?

2 THE COURT: Go ahead.

3 MR. CARSTEN: Thank you, Your Honor. This is Doug
4 Carsten.

5 Well, first, with respect to the July 30th letter,
6 we actually take a fair bit of issue with the -- and content
7 of it. And I don't believe that the letter we sent in
8 yesterday is a direct response. Rather, I didn't think it
9 was fruitful for us to engage in a back and forth on things
10 that I think are irrelevant. I think what was most useful
11 for Your Honor was to see where the parties are.

12 Where last we left our heros, Your Honor, on
13 July 12th, we left you, and you had asked me to provide -- to
14 investigate some questions. I have done that. And we are
15 prepared to address each one of the Court's issues.

16 In addition to that, I believe the purpose of the
17 call was also to talk about the schedule, and obviously,
18 Ms. Walsh or whomever at plaintiff can correct me if I'm
19 speaking out of turn, but I think there have been some
20 fruitful meet-and-confers in the last couple of days on the
21 schedule. I don't believe that either party's going to press
22 you today for entry into either one of the competing
23 proposals that you've seen because there has been some -- I
24 would say some optimism among the parties that we can get
25 together on -- on some of the dates in question. And I think

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
