Weil, Gotshal & Manges

201 Redwood Shores Parkway

Redwood Shores, CA 94065

1 PROCEEDINGS

2 JUDGE GERSTENBLITH: Good afternoon,
3 everyone. This is Judge Gerstenblith. With
4 me on the line are Judges Jung and Mayberry.

5 This is a conference call in several
6 related cases with Mylan v. Sanofi. I'm not
7 going to list out all the numbers because I
8 think it's fairly flexible, but we'll --
9 we'll try to list them at the end depending
10 on how many different cases we discuss from
11 the family. It covers at least those related
12 to IPR2018-01675.

13 With that, let's do a roll call. Who do
14 we have on the line for petitioner, please?

15 MR. TORCZON: Your Honor, you have
16 Richard Torczon from Mylan. I believe also
17 on the line are Wes Derryberry and Ellie
18 Steiner.

19 JUDGE GERSTENBLITH: Will you be
20 speaking on behalf of petitioner?

21 MR. TORCZON: I will, Your Honor.

22 JUDGE GERSTENBLITH: Okay. Thank you.
23 And who do we have on the line for
24 patent owner?

25 MR. CHANG: Good afternoon, Your Honor.

1 PROCEEDINGS

2 You have Brian Chang on the line for patent
3 owner, and also on with me are Anish Desai
4 and Adrian Percer.

5 JUDGE GERSTENBLITH: Will you be
6 speaking on behalf of patent owner,
7 Mr. Chang?

8 MR. CHANG: Yes, Your Honor.

9 JUDGE GERSTENBLITH: I believe -- but
10 please correct me -- was it petitioner who
11 arranged for a court reporter?

12 MR. TORCZON: We did, Your Honor. She
13 is on the line, and we will submit a
14 transcript as soon as it's prepared and we've
15 had a chance to check with Sanofi on its
16 correctness.

17 JUDGE GERSTENBLITH: Perfect. Thank you
18 very much.

19 I have a list of three things to discuss
20 amongst the cases, and I have written them
21 out with each case number; but please tell
22 me, as we go through, if you identify that
23 I've only mentioned one case and it has
24 applications in more than one, please don't
25 be afraid to interrupt me. I will certainly

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
