BEFORE THE PATENT TRIAL AND APPEAL BOARD

MYLAN PHARMACEUTICALS INC.
and PFIZER, INC.,
Petitioners,

v.

SANOFI-AVENTIS DEUTSCHLAND GMBH,
Patent Owner.

Case No. IPR2018-01676
Patent No. 8,603,044

PETITIONERS' REQUEST FOR ORAL ARGUMENT
37 CFR §42.70(a)

Case No. IPR2018-01676
Patent No. 8,603,044

Petitioners request oral argument in this *inter partes* review. Because the issues in this review and in co-pending IPR2018-01670, IPR2018-01675, IPR2018-01678, IPR2018-01684, and IPR2019-00122 are substantially similar, Petitioners request that the cases be heard together rather than sequentially and that 3 hours total (90 minutes total per side) be allotted for the combined argument on January 14, 2020. Petitioners also respectfully request that the argument be set in the afternoon, if possible, to accommodate counsel coming from the Pacific Time Zone.

Petitioners have conferred with Patent Owner regarding oral argument, and Patent Owner agrees with the above request.

Respectfully submitted,

Date: 19 November 2019
