raising the bar™

Thank you for your recent
equipment purchase!

Dear JOHN M STRAWN,

Thank you for choosing Cingular Wireless.
We have received your equipment rebate form.
Attached is your rebate in the form of a Cingular
Reward Visa® Card. Your Cingular Reward Card is
preloaded with funds in the amount of your rebate.

Use your Cingular Reward Card to make purchases
anywhere Visa debit cards are accepted. Purchases can
be made without usage fees or finance charges up to the
amount available, or until the "Valid Thru" date located
on the front of the card.

The specific amount of available funds on your
Cingular Reward Card is printed directly below it.
Again, we thank you for your business.

IMPORTANT INFORMATION about your Cingular Reward Visa Card

How to use:

1. Confirm your available funds and activate your card at www.cingular.com/rebatecard or by calling 866-297-3611.
2. When shopping, simply tell the cashier to process your card as a "credit" transaction, not a "debit" transaction.
3. Sign the card receipt.

To make a purchase in excess of your available funds on your Cingular Reward Card, additional forms of payment will be required (i.e. cash, check or credit card):

1. Inform the cashier that your Cingular Reward Card is to be processed for a specific amount and that the outstanding balance will be paid with cash, check or another credit card. This is subject to the merchant's policy.
2. Typically, the merchant will ask you to process the Cingular Reward Card before the other form of payment, but we urge you to check with the merchant on their specific policy.

- Please note: Should the dollar value of the card received in this package be less than the total you are expecting from Cingular Wireless, an additional card (or cards) is en route to fulfill any remaining funds.
- If you receive multiple cards, be sure to use the appropriate Cingular Wireless mobile phone number when activating each card. The correct mobile phone number to activate this card can be found above your card on this page. (For your security, a portion of your mobile number has been blocked out.)
- Your card is valid only in the U.S. and may not be used for cash withdrawals or at any cash dispensing locations.
- Funds are pre-loaded on your card.
- Additional funds cannot be added, and cards cannot be replenished once depleted.
- Remaining funds are invalid after the expiration date on the card.

Important Usage Tips:

To purchase gas, have the station attendant process the transaction inside. Be aware that restaurants frequently choose to process these transactions of 20% more than the bill to cover a potential tip. If you do not leave a tip, your account will not be charged, although the funds will be on hold until the purchase is settled. With transactions canceled at the register, a temporary hold may be placed on funds for seven days.

For available funds inquiry and customer service, please visit www.cingular.com/rebatecard, or call 866-297-3611
