Bluetooth documentation order form

The Bluetooth wireless technology specifications are available royalty-free. On this page you can order the printed version of the Bluetooth Specification 1.0. You can also download an Adobe Acrobat file of the complete specification free of charge (choose "Specification Intro" in the menu to the right).

Bluetooth Specification 1.0

Download the order form to be sent by fax

Quantity:

[ ] CD ($100)

[ ] paper copy ($200)

Worldwide shipping by UPS will be handled at cost, roughly US$ 100 for CD and US$ 200 for paper copy (1500 pages, heavy!) with UPS expedited depending on destination.

Within the European Union, Swedish sales tax will be added (25%). Please allow about one week for shipping. The cost will be invoiced upon shipping.

Before the specification is publicly available the documentation can be shipped to adopters only.

For further inquires regarding the order please use e-mail address: aed@ibm.net

I hereby order the items above and will pay the electronic invoice once received by international SWIFT bank transfer within 30 days.
