Other Matters

From approximately January 2018 to at least June 2018, a third party, Gate Worldwide Holdings LLC (“GWH”), asserted it had become the owner of all of Nomadix’s patents, including the ’922 patent. On January 12, 2018, GWH arranged for another third party, David L. Anderson, to execute an “assignment” of Nomadix’s patents to GWH, purportedly on behalf of Nomadix. Mr. Anderson is not an officer, director, or employee of Nomadix. He had no authority to act on behalf of Nomadix, and Nomadix did not otherwise authorize the assignment. GWH recorded with the PTO the assignment document it had Mr. Anderson sign. That document is available at reel 45113, frame 928.

Nomadix disputes the effectiveness of the assignment document and maintains that it remains the owner of the ’922 patent.

Petitioner Guest Tek Interactive Entertainment Ltd. has been aware of GWH’s claims since January 2018. Petitioner’s certificate of service does not indicate that Petitioner served GWH with the petition and accompanying papers.
