IPR2019-00355 and IPR2019-00356
U.S. Patent 5,796,183

Patent Owner has filed an Unopposed Motion for an Extension of Time to File the Preliminary Response in these cases. In particular, Patent Owner seeks to extend the due date for the Preliminary Response fourteen days to April 23, 2019, to “synchronize” the date with other *inter partes* reviews that were filed on the same date. Patent Owner’s request to “synchronize” those dates shows good cause for the extension.

Upon consideration of the unopposed motion, it is

ORDERED that Patent Owner’s Unopposed Motion for an Extension of Time to File the Preliminary Response is granted; and

FURTHER ORDERED that the deadline for Patent Owner to file its Preliminary Responses in these cases is extended to April 23, 2019.
