**EXHIBIT 2001**  
**DECLARATION OF LAWRENCE M. HADLEY IN SUPPORT OF**  
**PATENT OWNER'S MOTION FOR *PRO HAC VICE* ADMISSION**

I, Lawrence M. Hadley, declare as follows:

1. My name is Lawrence M. Hadley, and my professional address is Glaser Weil Fink Howard Avchen & Shapiro LLP, 10250 Constellation Blvd., 19<sup>th</sup> Floor, Los Angeles, CA 90067. I am over the age of 18, and I make this declaration in support of the patent owner's motion for my *pro hac vice* admission based on my personal knowledge.

2. I am an attorney licensed and admitted to practice in the State of California, where I have been admitted since 1992. I am a member in good standing of the California State Bar.

3. I practice in the field of intellectual property, including patent litigation, and have done so for over twenty-five (25) years.

4. I am admitted to practice before all state courts in California, the U.S. Supreme Court, the Courts of Appeal for the Ninth and Federal Circuits, the United States International Trade Commission, and numerous federal district courts across the country, including all federal district courts in California.

5. I have extensive experience in litigating patent infringement matters. I have been litigating patent infringement cases since 1993 and have served as lead trial counsel in dozens of patent infringement cases. I also have argued more than ten appeals of patent cases at the Federal Circuit, including appeals of IPR Final Written Decisions.

6. I am familiar with the subject matter of this proceeding. I am lead trial counsel for UUSI in the underlying district court action against Apple involving U.S. Pat. No. 5,796,183 (the "'183 Patent"), *UUSI, LLC, d/b/a Nartron v. Apple Inc.*, Civ. Action No. 18-cv-04637- JD (N.D. Cal.). I also am lead trial counsel for UUSI in a district court action against Samsung involving the '183 Patent, *UUSI, LLC, d/b/a Nartron v. Samsung Electronics Co., Ltd.*, Civ. Action No. 1:15-cv-00146-JTN (W.D. Mich.). Finally, I am lead appellate counsel for

UUSI in Samsung's Federal Circuit appeal of the recently-concluded IPR filed by Samsung, which found that Samsung had not met its burden of proving the challenged claims of the '183 patent invalid as obvious. *Samsung v. UUSI, LLC d/b/a/ Nartron*, AIA Review No. IPR2016-00908, Final Written Decision dated Oct. 18, 2017, appealed in *Samsung Electronics Co., Ltd. v. UUSI, LLC*, No. 2018-1310, pending at the Federal Circuit.

7. During the course of these actions, I have become highly familiar with the invention claimed in the '183 Patent, the technology relevant to the '183 patent, the prosecution history of the '183 patent, including the two reexamination proceedings, the prior art to the '183 patent, including the prior art asserted in the six new IPRs filed by Apple, the prior Samsung IPR challenge to the same claims of the '183 patent at issue in these new IPRs, the Board's Final Written Decision in that IPR, and the arguments concerning the validity of the patent made by petitioner.

8. I have never been suspended, disbarred, sanctioned or cited for contempt by any court or administrative body.

9. I have never had a court or administrative body deny my application for admission to practice.

10. I have read and agree to be subject to the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials set forth in part 42 of 37 C.F.R.

11. I agree to be subject to the United States Patent and Trademark Office's Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101 *et. seq.* and submit to disciplinary jurisdiction under 37 C.F.R. § 11.19(a).

12. I have not applied to appear *pro hac vice* before the Office in any other proceeding in the last three (3) years.

13. The underlying action was originally filed in the Western District of Michigan and later transferred to the Northern District of California. Since

transfer, the parties have stipulated, and the court has ordered, a stay of proceedings until the pending appeal of the Board's decision in the Samsung IPR involving the same claims (AIA Review No. IPR2016- 00908, Final Written Decision dated Oct. 18, 2017) is decided. Apple has not yet produced confidential information in the underlying litigation and will not do so unless and until the stay is lifted.

14. UUSI's lead counsel, Joseph A. Rhoa, is a registered practitioner and his registration number is 37,515.

15. I declare, under penalty of perjury pursuant to 28 U.S.C. § 1746, that all statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true.

Respectfully submitted,

By: /s/ Lawrence M. Hadley
