Good morning,

In connection with any renewed motion to seal, Patent Owner may email substitute versions of Exhibits 1042, 1043, and/or Paper 33 to trials@uspto.gov. To avoid any confusion, please mark the first page of the Paper or Exhibit(s) to indicate that it is a substitute version submitted in connection with the renewed motion to seal.

Subject: Question - IPR2019-00400

Hello:

In the Board's Final Written Decision for IPR2019-00400, it denied the parties' joint motion to seal but is allowing UCB to renew its motion. In doing that, we need to re-submit exhibits. However, those exhibits are technically Petitioner's exhibits and papers. Can the PTAB confirm that it would be appropriate for us to email those to the trials@uspto.gov email once we file so the PTAB can replace/file them as appropriate?

Thank you.
